2.Payment - Halfrin school uniform shop accepts cash, UnionPay cards, Wechat and Alipay.

3.Reservation services - Halfrin provides tailor-made services for your child, plus 20% service fee. (We don't offer replacement services for tailor-made items if no quality problems occur).

4.Replacement services - Please go to online shopping center for replacement policies.

5. Online shopping - You can place your orders online and get your package of items at offline uniform store for free.

6.Repair services - man-made damage or normal wear and tear (only the fees of labour and materials will be charged). Items need to be sent back to Halfrin plant, and the time spent on repairing depends on the degree of damage. In this case, replacement ser-vices are not provided.

Uniform Week Service

1. We provide uniform services at designated locations and dates so that parents can join the dedicated uniforms buying trip before the start of the school year.

2. You can also pre-order at online shopping center before school uniform week. Parents and students can go to school to try on pre-ordered uniforms, apply for replacement services and consult during school uniform week.

Wash & care instructions

1. The dry cleaning

2. Washed by hand

The collar and cuff should not be rubbed too much and high temperature washing will make clothes shrink. After washing, stretch clothes out to dry. Please make sure to wash them without colored clothes.

High temperature washing will easily cause clothes to shrink. Thus cold water and professional wool detergent are required. After washing, stretch clothes out to dry. These two items are designed only for hand washing and dry cleaning.

Use neutral laundry detergent to wash gently by hand. Please do not twist clothes while washing.

You can use brushes with neutral laundry detergent to clean particular stains, repeat it till stains are removed.. Do not use hot water, bleach or softener.

Wash & care instructions

Swimwear need to be immersed in water below 20 degrees Celsius and add a little neutral laundry detergent. 10 minutes later, you can rub them gently, rinse them and try them by hand. Afterwards, clothes can be placed in a cool place to dry out. Do avoid hot water, detergent, bleach, washing machine or direct sunlight. Do not use a dryer that may result in material damage and deformation of swimwear.

These items are not suitable for washing machine which may lead to deformation. Try to wash them by hand.

3. Clothes for washing machine

Do not use any bleaching ingredients or disinfectant detergent with bleaching ingredients.

These items can be washed by washing machine with cold water or by hand.

Note:

Wash white clothes separately from colored ones.

All dark clothes should not be bleached. Please use neutral laundry detergent. Soaking time is usually about 15 minutes.

Notes for drying clothes: Do not expose clothes to the sun and place them inside out at ventilated places.
